Commissioner for Patents
P.O. Box 1450, Alexandria, VA 22313-1450
Sir:

Further the Appellant's Amendment After Final Rejection and Board Action of October 3, 2005, the Appellant now requests the Examiner to reinstate the non-elected claims 4, 7, and 10 as new dependent claims, for the reason that the claims as amended on October 3 are allowable and also generic to the reinstated claims.

There are now three independent claims and 19 claims total. No additional fee is required.

The new claims, and reasons why entry is proper, are discussed in the Remarks below.
